PLEASE NOTE

Accommodation is the responsibility of the delegate
Registration does not include dinner on Friday

The intention of the ATASA Executive is to present a conference program to support teachers to deliver a dynamic, innovative and relevant curriculum to their students. The eleventh biennial conference program will reflect this and in particular provide resources for teachers delivering Stage 1 and 2 curriculum statements as well as those teachers utilising the SACSAs Framework.

Conference delegates are provided with numerous opportunities to establish networks and build upon existing networks within the agriculture teaching profession.

ATASA Executive reserves the right to alter the conference program at any time without informing individuals but any alterations to the program will be available via email at the following address in early term two 2011:

mathew.evans@sa.gov.au

EARLY BIRD REGISTRATIONS until 31st March 2011
